SOUTHERN MISS COMCAST GOLF CLASSIC

Saturday, October 8

THE UNIVERSITY OF SOUTHERN MISSISSIPPI

Canebrake Country Club once again has the honor of hosting the Southern Miss Comcast Classic on Saturday, October 8, 2011. This prestigious tournament benefits The University of Southern Mississippi Division of Student Affairs and Foundation, which provides scholarships for students. The tournament will begin with range, registration, and breakfast at 8:00 am with the shotgun start at 9:30 am. Thank you for your cooperation as your Club supports our university and community.

To compete in the 9th Annual Southern Miss Comcast Golf Classic and a chance to represent one of the divisions in the national championships in Las Vegas on Sunday, November 13, 2011 contact Chris McGee at 601-266-5405 or Sid Gonsoulin at 601-266-5767. Tournament features three divisions: students (college), faculty/staff, and alumni/community. High school students can participate within the alumni/community division but cannot compete for prizes. Golfers with professional status or currently on college golf teams are not eligible to participate. The format is a 2-person scramble utilizing low gross scores to determine division and flight winners. Thanks to Eagle Dining/Aramark, a mystery event, the Eagle Dining/Aramark Challenge will be held this year. Division winners of the Eagle Dining/Aramark Challenge will also qualify for the national championships in Las Vegas. Cost for the tournament is \$125 per player. Amenities include cart, green fees, practice range balls, lunch, food coupons, gift bag, prizes for closest to the hole, longest drive, chipping and putting contests. Patron and sponsorship opportunities are available. Registration forms are available in the Pro Shop.

CANEBRAKE LADIES BOOK CLUB Friday, October 14th

Join us on Friday, October 14th at 11:00 AM as we discuss The White Tiger by Aravind Adiga. Set in a raw and un-romanticized India, this first-person confession of a murderer is compelling for its subject matter as it is for the voice of its narrator amoral, cynical, unrepentant, yet deeply endearing.

Advance Notice: For our Friday, November 11th meeting, we will be reading The Guernsey Literary & Potato Peel Pie Society by May Ann Shaffer. The letters comprising this novel begin in 1946, with letters of war stories from Guernsey inhabitants while Guernsey was under German occupation. The Guernsey inhabitants are enchanting and the small acts of heroism so vivid and moving that the readers will find inspiration for their life.
